

Job Title: Mechanic

Are you interested in gaining hands-on experience in a mechanical and maintenance role with a community-focused organization that's growing, forward-thinking, and values work-life balance? Are you eager to apply your mechanical skills, learn new systems, and contribute to meaningful, day-to-day work in a shop environment?

If this sounds like you, we invite you to apply for our **Mechanic** position!

As a Mechanic, you'll play a key role in maintaining and repairing vehicles and equipment that support daily operations and essential services. Your reliability, attention to detail, and problem-solving skills will make you a valued member of the team. You'll gain hands-on experience diagnosing issues, performing preventative maintenance, and completing repairs, while supporting efficient operations and minimizing downtime.

This is a great opportunity to grow your mechanical expertise, contribute to a mission-driven organization, and be part of a team that values safety, teamwork, and service.

Corridor Energy Cooperative is currently seeking a Mechanic at our North Liberty Operation Center (835 W. 240th Street, North Liberty, Iowa 52317)

Essential Duties and Responsibilities:

- Maintains all vehicles, generating units and other mechanical equipment by performing regular, preventative maintenance and service in accordance with operating manuals.
- Conducts all inspections to remain in compliance with DOT regulations.
- Assures vehicle maintenance history is complete and up to date.
- Performs minor fender and body repairs and welding jobs as necessary.
- Other related duties as assigned

To be successful in this position, you will have:

- Associate's degree or equivalent from 2 year college or technical school in a directly related field or 4-year related experience
- Class A CDL

Must also possess the following knowledge and experience:

- Must be able to diagnose and repair equipment and vehicles
- Ability to operate powered industrial equipment, such as forklift and man lift
- Knowledge of electronics and hydraulics and diesel and gasoline engines

What we offer:

- Member owned, not-for-profit organization, serving the community
- Easy-going, casual work environment
- Excellent work-life balance

Starting wage range: \$30.00-\$37.50

Apply by submitting a resume and cover letter to recruiting@corridorenergy.coop.
